## SEPTEMBER 2020

### HELLO FRIENDS!

Welcome to the last days of summer. After six long months, we will slowly open the Levis Hill House Community Room for limited access during scheduled activities. Please continue to wear your mask at all times and maintain a social distance while in the community room.

I am thrilled to announce that we will start a six-week series of Senior Nutrition Classes on Tuesday, September 22, at 10 AM. Come to the Community Room to learn how to eat to live for those of us who live to eat!

**FLU & PNEUMONIA SHOTS-  
LEVIS HILL HOUSE ON WEDNES-  
DAY, SEPTEMBER 16TH.**

Because of the COVID-19 pandemic, reducing the spread of respiratory illnesses, like flu, this fall and winter is more important than ever. CDC has worked with vaccine manufacturers to have extra flu vaccine available this flu season. CDC recommends getting a flu vaccination in September or October but getting vaccinated anytime during the flu season can help protect you.

**Middleburg Library- Free Notary Services** are provided by appointment. Walk-in appointments may be taken, but it's best to call ahead to determine if a notary is available and important information.

We still have **FREE POOL PASSES** to the Middleburg Swimming Pool. Get some laps in while it's still warm outside. Pool Closes for the summer after Labor Day- September 7th!

### Voting

Loudoun County election officials encourage voters to apply now to cast an absentee ballot by mail in the upcoming November general election. Come to the office and register!
